

Aderant CompuLaw

Your expertise.

You are entrusted with the most indispensable element of the day-to-day life of a lawyer – the calendar.

Your vision.

Calendaring and docketing technology that integrates with preferred systems already in use, reducing the risk of malpractice exposure from miscalculations and human error.

Your partner.

Aderant CompuLaw's rules-based software is the number one legal calendar and docket solution available today, used by more than 700 firms nationwide and over half of the AmLaw 100.
